JOB REFERENCE: SOFTWARE ENGINEER INTERN

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Software Engineering Internship position at Google, as advertised on your careers page. With a strong academic background in Computer Science and hands-on experience in software development, I am eager to contribute to Google's innovative environment and put my skills in a best practical setting.

Currently pursuing a Bachelor's degree in Computer Science at IIT Jodhpur, Rajasthan, I have gained solid foundations in algorithms, data structures, and software design through coursework and personal projects. These experiences have honed my ability to analyze problems, propose solutions, and implement them effectively.

What excites me most about the Google Software Engineer position is the opportunity to work on groundbreaking projects that have a global impact. Google's commitment to innovation and its culture of continuous learning align perfectly with my own values and aspirations.

I am particularly interested in opportunities to apply my skills in machine learning, AI, Product Management, Software & Hardware development and contribute to Google's mission to organize the world's information and make it universally accessible and useful.

Enclosed is my resume, which provides additional details about my academic and professional achievements. I am eager to discuss how my background, technical skills, and passion for innovation make me a strong candidate for this internship opportunity at Google.

Sincerely,
Mahek Vanjani
